Auris Accessories

TOYOTA

ALWAYS A
BETTER WAY

Refined, rewarding and remarkably efficient. That's the Auris. Add your choice of genuine Toyota accessories and the experience becomes truly inspirational. The concept is individuality. With accessory options for style, practicality and innovation you can personalise your Auris for the life you want to live.

Accessory packs

Toyota accessory packs make customising your Auris easier than ever before. Whether your choice is added style or more practicality, on the inside or out, each pack offers great value for you and your family.

Mild sport pack

The Auris turns heads wherever it goes. The mid sports pack builds on that appeal with a choice of alloy wheels, a distinctive rear skirt and stylish scuff plates for the inner door sills.

Pitlane II alloy wheels

A bold 17" design in anthracite colour or anthracite with a machined alloy face.

Rear skirt

Sports inspired design in a black mica or grey metallic colour.

Scuff plates

Polished aluminium to give your car's interior a sporty edge.

Podium II alloy wheels

Choose 16" or 17" size in either anthracite colour or anthracite with a machined alloy face.

Hybrid key cover
Smooth, compact key holder
for tidy pockets and bags.

Air pack

Especially for hybrid models. The air pack reinforces the Auris look of premium styling with its luxurious leather upholstery, 17" alloys, textile mats, scuff plates and unique key cover.

17" Alloy wheels
Pitlane II and Podium II wheels in
either anthracite colour or anthracite
with a machined alloy face.

Hybrid leather kit
Nothing compares to the look
and feel of leather upholstery
for pure luxury.

Hybrid scuff plates
Polished aluminium to
complement the detailing
throughout your car's
interior.

Hybrid textile floor mats
Combining the comfort of soft
touch textile with strong
carpet protection.

Side sills
A dash of chrome skilfully integrated along the side panels.

Rear trunk garnish
The stylish chrome finish highlights your car's distinctive rear-end design.

Bumper protection plate
With a polished steel finish for good looks and tough paintwork protection.

Chrome pack

Style, sophistication and attention to detail. The chrome pack's side sills, trunk garnish and bumper plate combine to emphasise your car's beautiful sculpted contours.

Scuff plates
The good looking way to guard paintwork against the ins and outs of a busy life.

Utility pack

The concept is custom designed practicality. The utility pack's scuff plates, trunk liner and rear bumper plate add an extra layer of protection just where it's needed most.

Trunk liner
Made of plastic with raised edges to resist water, mud, sand and dirt.

Bumper protection plate
Stylish brushed metal finish that shields the bumper when loading or unloading the trunk.

Innovative technologies

Toyota technology accessories create that essential link between you, your car and your lifestyle. Choices ranging from navigation multi-media hubs and audio through to parking guides and extra security give you options to make every trip a journey of ultimate satisfaction.

Extras

Toyota Touch & Go
Toyota Touch & Go is the ideal upgrade if your Auris is fitted with Toyota Touch audio, but doesn't have navigation. It integrates seamlessly with your existing audio functionality to also provide a host of travel extras.

In addition to full map coverage of Europe and Russia, the features include touch-screen operation, advanced Bluetooth® compatibility*, travel apps, a places of interest database and a choice of languages

Easy to use
A touch sensitive screen ensures easy operation. Touch-screen controls include fast map and menu scrolling and map zooming.

Driver-friendly
On-route instructions include lane guidance, speed limit and safety camera notification.

Avenue Gustave Eiffel

Toyota Touch & Go Plus
The Toyota Touch & Go Plus upgrade gives you everything that Toyota Touch & Go has along with even more sophisticated levels of operation, communication and navigation.

The many extra features include advanced voice recognition, 3D city models and a traffic patterns database for intelligent routing. Integrated Bluetooth® compatibility* means you can view and operate smartphone functions through the convenience of the Toyota Touch screen.

Advanced voice recognition
With Toyota Touch & Go Plus you can use voice recognition commands to input your route destination, search and play music, and search and call your contacts.

Text to speech
If you receive a text on your Bluetooth® phone while travelling, Toyota Touch & Go Plus can convert it to speech so you can safely listen to the message without taking your eyes off the road.

Email and calendar
Emails and calendar information received on a compatible Bluetooth® phone, and your response, can be displayed for high visibility on the Toyota Touch & Go Plus' 6.1" screen.

Advanced database routing
The Toyota Touch & Go Plus traffic patterns database enables optimised route planning according to individual road segments and by time, day and month for popular destinations.

*Contact your Toyota retailer for details of phone compatibility.

TNS350 multi-media navigation
The all in one Toyota TNS350 is a fully integrated navigation and multi-media hub. Touch-screen controls, a 5.8" screen and clear graphics make it incredibly easy to use. There's pan-European route guidance and media capabilities including audio, Bluetooth® and connectivity for your personal technologies.

Fingertip controls
Simply touch your finger to the TNS350 screen and slide it over the surface to scroll maps or search menus. With a menu, a gentle touch on your choice will access the information or reveal the next search level.

Play your iPod®
You can connect your iPod® via its USB cable and then operate it with the TNS350's touch-screen controls. Even the album art is displayed. When navigation is active, iPod® information appears in a split screen alongside the map.

View video and photographs
TNS350's 5.8" screen is great for imagery. You can upload photographs from an SD card or view iPod® video via an optional cable. Picture viewer also enables you to personalise the opening screen.

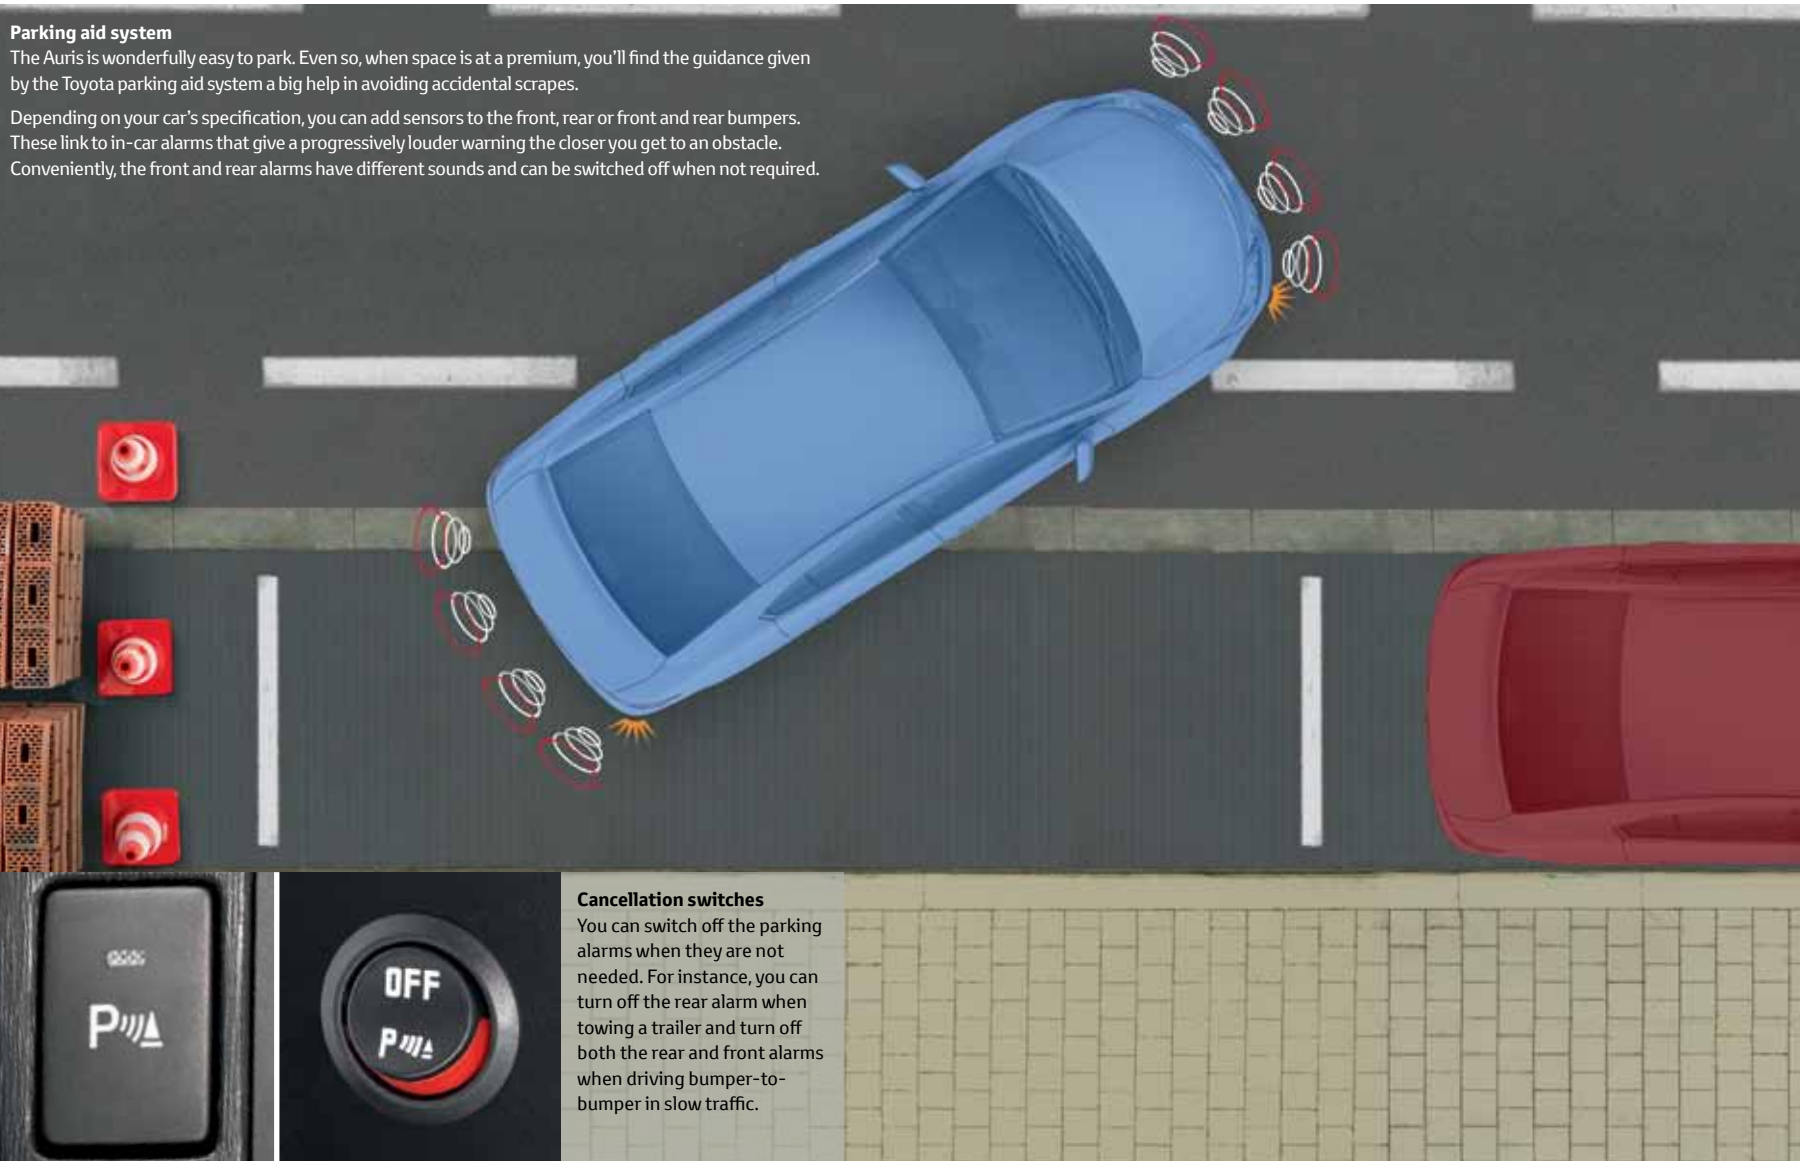

Hands-free Bluetooth®
TNS350 supports Bluetooth® communications and audio playback. Your phone's controls can be touch-screen operated, there's an integral pick-up microphone, and incoming calls feed through the car's speakers.

Bluetooth® is a trademark of Bluetooth SIG Inc. iPod® is a trademark of Apple Inc, registered in the US and other countries.

Great audio
 TAS200 is the smart choice of audio unit if your Auris isn't fitted with Toyota Touch audio and you don't require navigation.
 Ease of use is assured by a multi-jog selector and an OLED display providing strong contrast, high brightness and quick response. Features include an AM/FM radio, an MP3/WMA compatible CD player, AUX, USB and iPod® sockets, DAB readiness and three DSP modes for sound equalisation.

Parking aid system
 The Auris is wonderfully easy to park. Even so, when space is at a premium, you'll find the guidance given by the Toyota parking aid system a big help in avoiding accidental scrapes.
 Depending on your car's specification, you can add sensors to the front, rear or front and rear bumpers. These link to in-car alarms that give a progressively louder warning the closer you get to an obstacle. Conveniently, the front and rear alarms have different sounds and can be switched off when not required.

Cancellation switches
 You can switch off the parking alarms when they are not needed. For instance, you can turn off the rear alarm when towing a trailer and turn off both the rear and front alarms when driving bumper-to-bumper in slow traffic.

Vehicle security
 It's comforting to have a car as safe as the Auris. Toyota's vehicle security system increases that peace of mind by providing an extra layer of protection when your car is parked.
 The system has a powerful alarm to complement your car's pre-fitted immobiliser. An optional incline sensor is also available to warn you of attempted wheel theft and towing-away.

Alloy wheels

Fitting new Toyota alloy wheels to your car is one of the most satisfying ways of expressing individuality. Each design has been conceived to complement the aesthetics of the Auris while also being precision engineered for drive balance and stability.

Pitlane II, anthracite with machined alloy face, 17"

Winter rim wheels

Especially for use with winter tyres. When the weather turns you can simply swap the winter wheels for your normal alloys and so avoid expensive tyre changes. In 15" and 16" sizes.

Wheel locks

Made of hardened steel with a chrome finish to complement the style of your existing wheel nuts, but with a rounded profile and unique coded key to maximise security for your precious alloys.

Exterior styling

Toyota exterior style accessories give you creative flexibility to add special touches of individuality to your Auris. Each accessory has been designed to co-ordinate with and enhance your car's sculpted contours and inspiring looks.

Trunk garnish

A dash of chrome to highlight your car's distinctive rear-end design.

Exhaust pipe finisher

The chrome finished oval shape has been uniquely created for the Auris.

Rear skirt

A powerful sports inspired design in a black mica or silver metallic colour.

Side sills

Finished in chrome and shaped to emphasise the Auris side panel styling.

Fog lamps

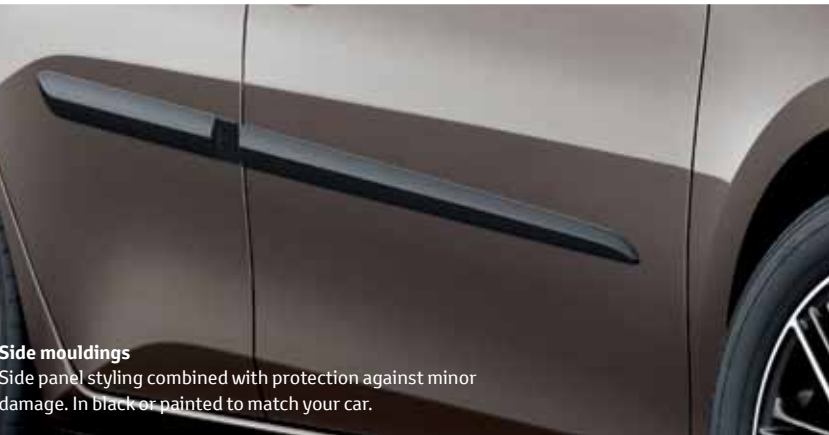

A distinctive chrome bezel design providing strong illumination for bad weather driving.

Extra protection

It's only natural to want to care for and preserve the appeal of your Auris. Toyota accessories help you do just that. Each accessory has been designed to provide an extra layer of protection where it is needed most.

Bumper protection plate
With a tough, good looking polished steel finish to protect bumper paintwork when loading or unloading the trunk.

Bumper protection plate
The brushed stainless steel finish disguises small scratches that may occur when sliding things in and out of the trunk.

Side mouldings
Side panel styling combined with protection against minor damage. In black or painted to match your car.

Bumper corner protectors
Ideally positioned to guard against accidental scrapes. For the front and rear, and in black or painted to match your car.

Wind deflectors
Aerodynamically shaped to reduce wind noise and buffering when driving with open windows. No need for air conditioning!

Mud flaps
The design minimises water, mud and stones spraying onto your car's body. Available for the front and rear.

Door handle protection film
Virtually invisible, yet providing tough protection against scratching by gloves, rings and keys around the door handle.

For life's adventures

A Toyota roof rack, towing hitch and specialised carrying attachments give you enormous flexibility for enjoying all that life has to offer. With a wide range to choose from you can load up for hobbies and holidays and still have plenty of room for the family.

Ski boxes

Large ski box

For those big snow holidays

Toyota ski boxes have been custom designed to exactly the right length, shape and capacity for securely carrying all your winter sports accessories.

Standard ski box

Internal volume: 360 litres
Maximum content weight: 75 kg**
Holds 6 pairs of skis.

Large ski box

Internal volume: 450 litres
Maximum content weight: 75 kg**
Holds 8 pairs of skis.

Features

- Weight: 17 kg standard, 21 kg large.
- High security three point locking system.
- The central locking system prevents key removal until the box is locked.
- Fits square and extruded aluminium cross bars.
- Internal straps for securing the box contents.
- Made of colour-fast UV resistant ABS plastic.

Ski & snowboard holders

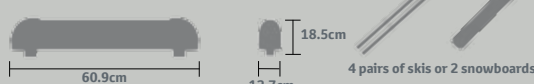

Large ski & snowboard holder

Simply load and go

The holders install easily and lock securely onto your roof rack so you can quickly load skis and snowboards whenever the inspiration takes you.

Medium size holder

Large size holder

Features

- Weight: 3.85 kg medium, 4.85 kg large.
- Skis secured between soft rubber for grip and to prevent damage.
- Locking system for maximum security.
- Fits square and extruded aluminium cross bars.
- Push release for easy opening with gloved hands.
- Large holder slides to the car side for easy loading and unloading.

Luggage box

Large luggage box

Just right for families

The jackets and dresses, the shorts, shoes and playthings; a Toyota luggage box is perfect to carry all you need for those big family holidays and weekends away.

Internal volume: 360 litres
Maximum content weight: 75 kg**
Holds 4 medium/large bags.

Features

- Weight: 18 kg.
- High security three point locking system.
- The central locking system prevents key removal until the box is locked.
- Fits square and extruded aluminium cross bars
- Internal straps for securing the box contents.
- Made of colour-fast UV resistant ABS plastic.

*Internal measurements shown in brackets. **When installed on your car, the maximum allowable content weight is 75 kg minus the weight of the box and minus the weight of your roof rack.

Bicycle holders

Rear mounted multi-capacity Toyota bicycle holders ensure safe transportation while making it easy to switch to peddle power the moment you arrive. The clamp mounted rear holder is a universal solution that attaches to all genuine Toyota towing hitches. The Easy Click holder fits directly to a Toyota towing hitch or can be mounted with a stand-alone bicycle bracket for hybrid vehicles that do not have a towing capacity.		
Key product highlights:	Easy Click rear bike holder	Clamp mounted rear bike holder

Towing hitch

A close-up view of a black horizontal detachable towing hitch mounted on the rear of a silver Toyota Auris. The hitch has a hook and a black plastic cover. The license plate area displays 'AURIS'.

Horizontal detachable towing hitch
Designed especially for the Auris to give you a dependable, safe towing capability. The hook can be removed to preserve the great looks of your car when not towing. It is ideal for attaching a Toyota rear bicycle holder.

Features include:

- 1000-1500 kg towing capacity depending on engine type (the towing hitch is designed for your car's maximum towing capacity).
- Suitable for the 2 bicycle version of the Toyota rear bicycle holder.
- Can be used in combination with the Easy Click rear bicycle holder.
- For ease of use, the hook attaches or removes from the installation by means of a turning knob that also incorporates a lock for towing security and anti-theft protection.
- A smart black plastic cover fits over the base installation when the hook is removed.
- Supplied with a black tow-ball cap bearing the Toyota logo.

Wiring harness
The Toyota towing hitch wiring harness is tailored to fit your Auris and safely connect the lights on your car to those on a trailer or rear bicycle holder.

Special features include:

- Fused module that shields your car's wiring against any faults in the trailer's wiring system.
- Indicator failure detection. Your car's indicators will continue operating even if those on the trailer fail.
- Independent circuitry to prevent overloading your car's wiring system.
- No loose or hanging cables.
- Available in 7 and 13 pin versions.

Adapters
A Toyota adapter enables you to securely connect your car's towing hitch wiring harness to that of a trailer or bicycle holder if the plugs don't match. Toyota adapters are available in three versions:

- 7 pin (car) to 13 pin (trailer).
- 13 pin (car) to 7 pin (trailer).
- 13 pin (car) to 12N-12S double socket (trailer).

Luxurious leather

For luxury, there's nothing to compare to the look, feel and comfort of a genuine Toyota leather interior. There are big benefits for practicality as well because Toyota leather is hard wearing and dirty marks simply wipe away.

Black leather seats are available for all Auris seat designs. Standard seats are stitched with black thread whereas Sports seats have black with subtle white stitching pattern. Auris hybrid models' seats are distinguished with blue stitching.

Reassuringly, Toyota leather interiors are made to the highest safety standards and are fully compliant with airbag operation.

Auris hybrid
Stylish black leather with distinctive blue stitching.

Auris
The classic look of black leather with black stitching is available for all Auris seat designs.

Stylish interiors

To drive or be a passenger in the Auris is to experience the true meaning of quality. Toyota interior style accessories enhance the sensation. Each detail, from ambient lighting to polished scuff plates, combines to create a tailored look of individuality.

Ambient lighting

At night, open the door and the blue illumination adds both safety and style.

Hybrid key cover

Smooth, compact key holder for tidy pockets and bags.

Scuff plates

The polished aluminium finish introduces a compelling detail to your car's interior.

Scuff plates

Prestige styling featuring the hybrid logo on a polished aluminium finish.

Perfect practicality

People have different ways of living with their car. Toyota accessories reflect that individuality by offering extra touches of practicality to suit the way you like things to be. Each combines purpose and functionality with distinctive Auris styling.

Luxury velour mats
Soft textile on a hard-wearing padded base for maximum comfort.

Textile floor mats
Relaxing textile with a tough rubber backing for tough carpet protection.

Hybrid luxury mats
Comfortable soft textile on a padded base and that distinctive hybrid logo.

Rubber floor mats
Ultra-strong protection for your carpets against mud, dirt and sand.

Trunk liner
Made of plastic with raised edges to be water and mud resistant.

Horizontal cargo net
Clips onto your car's pre-fitted trunk hooks to secure bags and briefcases.

Ash tray / small bin
Use it as an ashtray or for extra storage. The spring-shut lid is ideal for both.

Reassuring

Caring for young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.

Baby-Safe Plus restraint seat

Comfort and protection for babies from birth up to around 9 months (up to 13 kg).

Duo Plus restraint seat

For children between 9 months and 4 years (approximately 9 to 18 kg). Equipped with an ISOFIX fitting system.

Kid and Kidfix restraint seats

Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg). The Kidfix model is equipped with an ISOFIX fitting system.

Caring

Sometimes it's the little things in life that make a big difference. Auris accessories consider the details of helping care for you and your car.
