Lifestyle choices

The Hilux gives you that ultimate go anywhere, do anything flexibility. Genuine Toyota accessories match the moment with extra levels of individuality.

You can be creative with touches of style, increase deck bed practicality, add a roof rack and even fit a hard top. Toyota accessories reflect life and how you choose to live it.

Style

Toyota style accessories offer freedom to express yourself. You can be as subtle or as bold as you like. Importantly, each accessory is designed to complement each other and add to your car's rugged appeal.

Headlamp bezel
The chrome finish adds a visual emphasis to your car's powerfully shaped headlamps.

Tailgate brake light cover
A distinctive dash of chrome to enhance the tailgate's central brake light.

Front fog lamp surround
Complements your car's front fog lamps and bumper with a stylish chrome detail.

Rear light bezel
Introduces a stylish chrome surround to the rear light cluster.

Front grille

The stylish chrome finish adds distinction for town and country alike.

Chrome air intake

Complements the flowing lines of the Hilux's contoured hood.

Door handle garnish

Chrome finished for an extra touch of style.

Tailgate handle garnish

A dash of chrome to highlight your car's rear-end styling.

Front guard
Added style and protection for the front of your Hilux. Made of soft-touch polyurethane to enhance pedestrian safety.

Front underguard
Stylish silver finish guard to protect the underbody against stone chips.

Side steps - aluminium
Aluminium with a non-slip surface for easy access to the cab and deck.

Side bar
Dynamic chrome styling combined with protection for the side panels.

Side bar with steps
Great looking chrome finish with non-slip black rubber foot grips.

High-over bar
The chrome finish tubular design adds to the Hilux's rugged appeal.

Individual

Fitting genuine Toyota alloy wheels makes a bold statement about quality, style and individuality. Whichever your preference, each design is precision engineered to combine strength and durability with optimal balance for assured road-holding.

Locking nuts

The rounded profile and unique coded key help protect your valuable alloys.

Spare wheel lock

Made of hardened steel and with a coded key for added spare wheel security.

Adaptable

With a Toyota hard top you get great looks and cargo protection in equal measure. An ingenious clamping system creates a weather proof seal while also enabling easy removal of the top when an open bed is required.

Hard top with windows
Stylish design featuring an interior light, interior fabric cladding, side windows and a hinged rear window.

Commercial hard top
Made with extra strength and durability for rugged business uses. Featuring a top hinged rear window.

Hard top with side doors
Side doors and a top hinged rear window enable easy cargo access. The inside has a light and fabric cladding.

Versatile

The carrying capability of the Hilux is legendary. You can simply load up and take off through town or country to distant horizons. Toyota deck bed accessories make the journey safer, easier and more secure.

Aluminium bed liner
The ultimate in hard-wearing protection for the bed floor of your Hilux.
Aluminium bed liner – wheel arch protection
Added wheel arch protection for use with the aluminium bed liner.

Deck bed liner
High density rigid polyethylene to protect the deck bed and side panels. Versions available for fitting over or under the top rail.

Bed rug liner
Looks like carpeting, but withstands heavy loads, mud and grease. Perfect with hard tops.

Dry gate
Seals the tailgate against water and dust. For use with hard tops and the bed rug liner.

Aluminium tonneau cover
Secures cargo in the bed and can take another load on top. Natural aluminium finish.

Hard tonneau cover
Tough practicality with a lockable hinged lid.

Roll n' lock tonneau cover
The lockable slatted aluminium design can be rolled back for quick access.

Cargo manager
Especially for use with the roll n' lock tonneau cover. It divides the cargo area and swivels upwards for long loads.

Soft tonneau cover
Made of tough black polyester. Secures on holding screws and across a torsion bar.

Utility box
Fixes firmly in place to provide convenient lockable extra storage.

Tailgate film
Tough transparent film to protect tailgate paintwork when a hard top is fitted.

Inner bed liner
High density polyethylene liner for guarding against paintwork scratching.

Protective

Your Hilux is designed to be tough, practical and very stylish. So too with Toyota accessories. The range gives you choices to add extra comfort and safety no matter the weather and road conditions.

Hood deflector
Aerodynamically shaped to deflect spray and mud away from the windshield.

Wind deflectors
Minimise in-car wind noise and turbulence when driving with open windows.

Door handle film
Tough transparent adhesive film to protect door handle paintwork against scratching.

Fog lamps
Style and practicality combine for safer driving in bad weather.

Driving lamps
Powerful illumination for those really dark nights.

Flexibility

Driving the Hilux inspires a true sense of freedom. Fitting a Toyota roof rack and your choice of carrying attachments gives you flexibility to make the most of every journey.

The aerodynamic aluminium rack is easy to install and features integral locking for added security. In turn, there's a wide range of purpose designed business and leisure attachments. The combination is an open invitation to explore all that life has to offer.

Roof rack
Strong, lightweight,
removable aluminium design
with security locking.

Easy to install kit for integrating the lights on your trailer or rear bicycle holder with those of your car. Available in both 7P/12N and 13P versions.

Multi-media technology

Toyota technology accessories offer a world of multi-media convenience and entertainment. There's navigation, audio, telephony and integrated parking systems. All the elements combine to make living with your Hilux even more of a rewarding experience.

This is technology as it should be. Each button and display is user friendly. Every feature satisfies a need.

Wherever you go

See more, hear more, know more with Toyota TNS350. It adds to the pleasure of every journey and effectively creates an in-car multi-media technology hub. You get pan-European route guidance, great audio, Bluetooth® hands-free and connectivity for your personal technologies.

Easy route planning

With TNS350 you can start with a post code* and address, a town, a map reference, pick from your favourite and recent destinations menu, or choose from a places of interest directory. It's easy. The system then calculates a choice of routes.

*UK only.

Fingertip controls

Simply touch your finger to the TNS350 screen and slide it over the surface to scroll maps or search menus. With a menu, a gentle touch on your choice will access the information or reveal the next search level.

Play your iPod®

You can connect your iPod® via its USB cable and then operate it with the TNS350's touch-screen controls. Even the album art is displayed. When navigation is active, iPod® information appears in a split screen alongside the map.

View video and photographs

TNS350's 5.8" screen is great for imagery. You can view video from your iPod® (via an optional cable) and watch slideshows from your digital camera's SD card. Picture viewer also enables you to personalise the opening screen.

Hands-free Bluetooth®

TNS350 supports Bluetooth® communications and audio playback. Your phone's controls can be touch-screen operated, there's an integral pick-up microphone, and incoming calls feed through the car's speakers.

Toyota Hotspot

As the name suggests, Toyota Hotspot gives you internet access and effectively turns your car into a mobile hotspot. Simply load the Toyota Hotspot box with a SIM card of your choice and, as long as you're in a 2G/3G area, you'll have instant access to the internet and all the web has to offer.

The Toyota Hotspot connects up to five WiFi capable devices including laptops, tablets, smart phones and game systems and also enables in-car interaction between them. Importantly, the Toyota Hotspot wires into your car's electrical system to ensure constant power supply.

- Designed specifically for in-car use and the special demands of temperature variation and vibration.
- Automotive design high speed dual antenna that enhances mobile reception and minimises doppler problems.
- Open to any GSM operator and so allows you to use a SIM card of your choice. It will accept a dedicated data transfer card and, when travelling abroad, you can fit a local card to avoid roaming charges or enable roaming on your card.
- Over-the-air software updating happens almost automatically.
- User friendly web interface allows personalisation of Toyota Hotspot functions such as the connection parameters.
- Easy to use with a simple on/off switch and coloured diodes to inform of status and activity.
- Securely mounted within your car to avoid trailing wires.
- Free from the technical problems associated with using a smart phone and also the restrictions imposed by internet providers. For example, the Toyota Hotspot does not limit you to just one user surfing the net.
- Covered by a Toyota warranty.

Toyota Touch 2 with Go navigation

The ideal upgrade if your car is already fitted with the Toyota Touch 2 multi-media system and you want to add navigation. It integrates seamlessly with Toyota Touch 2's audio, Bluetooth® and driver information functions to also provide pan-European map coverage and a host of travel extras.

- Touch-screen navigation controls.
- Full EU map navigation in a choice of languages.
- Lane guidance, speed limit and safety camera notification.
- Real time traffic information and intuitive detour route calculations.
- Points of interest and favourite places databases.
- Toyota online services and a range of special travel apps.

TAS200 multi-media audio

The complete multi-media audio system for outstanding in-car entertainment. Features include a DAB ready AM/FM radio, an MP3/WMA compatible CD player, AUX, USB and iPod® sockets, and three DSP modes for sound equalisation.

TAS100 CD radio

A high quality audio performance and robust easy to use functionality combine in a system that's perfect for the working environment. Special features include an AM/FM radio with RDS and an integral MP3 compatible CD player.

Parking systems

Responsive steering and excellent manoeuvrability make the Hilux easy to reverse for unloading and parking. Even so, when space is at a premium, you'll find the guidance given by Toyota parking systems a big help in avoiding accidental scrapes.

The Toyota parking aid system features ultrasonic sensors in the rear, front or rear and front bumpers. These link to in-cabin alarms that grow progressively louder the closer you get to obstacles. Importantly, the front and rear alarms have different tones and can be switched off when not required.

Toyota parking assist, with its rear view camera, can be used independently or in combination with the parking aid sensor system.

Parking aid sensors

The ultrasonic sensors are integrated within your car's bumpers.

Parking assist rear camera

Robust yet discreet. The camera shows anything in your way.

Parking assist navigation viewing

You can view camera images in your Toyota navigation screen.

Cancellation switches

Enable you to switch off the parking aid sensor alarms when not required.

Vehicle security system

It's comforting to have a car as safe as the Hilux. Toyota's vehicle security system increases that peace of mind by providing an extra layer of protection when your car is parked.

The system has a powerful alarm to complement the Hilux's pre-fitted immobiliser. An optional incline sensor is also available to warn of attempted wheel theft and towing.

Personal space

The Hilux's legendary versatility is matched by the comfort of its spacious interior. Toyota accessories make the experience personal.

You can add the luxury of leather, touches of style and extra day to day practicality. Every detail of each accessory has been considered to help you create a private space ideally suited to your way of life.

Luxurious

There's nothing to compare with the luxury, comfort and practicality of a Toyota leather interior. The seats and door panels are quality made of the finest materials to create a presentation that's as good to look at as it is to sit in.

Leather interiors

Luxurious Toyota leather seats are made of top quality materials for that ideal combination of style and practicality. Available in black leather with black stitching as standard or black leather with contrasting stitching and an embossed headrest logo as part of the invincible accessories pack.

Leather handbrake

Great looking top quality leather adds to the interior sophistication.

Front seat heaters

Seat heaters for winter warmth add even more sophistication to the feel of a Toyota leather interior.

Instrument bezel
A touch of chrome to highlight your car's dashboard dials.

Gear shift bezel
Stylish chrome surround for the automatic transmission gear shift.

Shift knobs
Express individuality with your choice of custom designed shift knob. Available for manual and automatic transmissions and 4x4 and 4x2 models.

Scuff plates
Interior style combined with protection for the door sill paintwork. Available for the two and four door Hilux models.

Practical

Just like the Hilux, Toyota accessories are stylish and very practical. With choices including rubber and textile mats and a PVC seat cover you can protect your car's interior against all the ins and outs of a busy life.

Rubber floor mats

The ultimate floor protection against mud, water, dirt and grime. Especially shaped for the Hilux footwells. Available for two and four door models.

Needle-felt mats

Hard wearing anthracite coloured textile mats providing dependable protection against mud and grime. Available for two and four door models.

Velour mats

Stylish good looks and great protection. Available in standard and luxury weights, anthracite and beige colours, and for two and four door models.

Padded armrest

Introduces the style and looks of a luxury car combined with added storage and comfort for those long motorway drives.

Ashtray

Ergonomically designed with a close fitting spring-shut lid to contain odours and help keep the cabin space tidy.

PVC seat cover

With a hard wearing Toyota PVC seat cover you no longer need to worry about dirty clothes soiling your car's upholstery.

Reassuring

Children love riding in a car as big and powerful as the Hilux. But youngsters come in all shapes and sizes and so keeping them safe needs careful thought. Be assured, with Toyota child restraint seats you have options for each age group.

Nothing is left to chance with a Toyota child seat. The fixings are secure, the fabrics robust and the design provides that ideal balance of comfort and safety.

Baby-Safe Plus restraint seat
Comfort and protection for babies from birth up to around 9 months (up to 13 kg).

Duo Plus ISO fix restraint seat
For children between 9 months and 4 years (approximately 9 to 18 kg).

Kid restraint seat
Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg).

Caring

Sometimes it's the little things in life that make a big difference. Toyota accessories consider the details of helping care for you and your car.
