# Proudly original

Sporty, yet elegant. The new Corolla stands proud with its confident aerodynamic shape. Toyota accessories build on that originality by giving you choices to express individuality.

What’s so important about Toyota accessories is that they have been created especially for the Corolla. There are alloy wheels, touches of style, protection and day-to-day practicalities. Each has been designed and made with extraordinary attention to detail. Installation is easy, the integration perfect and the performance as assured as your car itself.

# Inspired

Toyota alloy wheels are inspired by the styles and passions of modern life. The designs range from sporty and dynamic through to highlights of urban sophistication. Each offers creative freedom to show how you like things to be. Reassuringly, all Toyota alloy wheels are precision engineered for the optimum balance of low weight, high strength and lasting durability.

## 08 Boat holder

Lockable design with adjustable straps for a kayak type boat.

## 09 Luxury kayak holder

Shaped to secure a kayak type boat on its side. Fully lockable.

## 10 - 12 Ski and snowboard holders

Lockable design for skis and snowboards. Available in small, medium and large sizes including the large luxury holder with its extendable carrier for easy loading.

**01 Standard bicycle holder**  
Lockable design with a quick lock and release system for easy loading and unloading.

**02 Medium bicycle holder**  
Featuring a tough anti-theft system and moulded profiles to grip the bicycle wheels. Fits on either side of the roof.

**03 Luxury bicycle holder**  
Lockable lightweight aluminium design with wheel and frame grips. Conveniently, the frame grip can be adjusted at roof height. Fits on either side of the roof.

# Strength

The Corolla is famous for its ride stability and strength. That's a perfect combination for fitting a Toyota towing hitch. How about to pull a trailer, small caravan or a boat? Alternatively, you could attach a rear holder for up to two bicycles. With a towing hitch you create untold leisure opportunities.

## Rear bicycle holder

Lightweight high strength steel design for safely carrying two bicycles. The holder attaches to a Toyota towing hitch and features security locking plus an integral lights and licence plate unit.

## 01 Fixed towing hitch

Strength and durability for day-to-day towing. Gives a towing capacity of up to 1500 kg. Available with an optional wiring kit.

## 02 Detachable towing hitch

High strength towing with the convenience of a removable hook. Towing capacity up to 1500 kg. Available with an optional wiring kit.

## Intuitive technologies

There's no better place than the comfortable surroundings of the Corolla's interior to enjoy the benefits of Toyota technology accessories. You can choose navigation to guide you through town and country. Hands-free telephony for safe communications. And entertainment accessories that will add new dimensions of pleasure to every moment of your journey.

This is technology as it should be. Each button and display is designed to be user friendly. All the functions have been conceived to satisfy a need.

# Rewarding

Driving the Corolla is a reward in itself whether your route takes you through city streets or to the wide open spaces of the country. Your choice of two Toyota multi-media navigation systems will make getting there even more pleasurable. Both systems give you clear on-screen maps, precise vocal directions, touch screen navigation controls and a great range of multi-media functionality.

## TNS510 multi-media navigation

Setting new standards for in-car multi-media navigation systems. Innovative technologies make the TNS510 clearer, faster and more intelligent than ever before.

- 5.8" screen with colour graphics and touch screen controls.
- Full map coverage for West Europe, East Europe or Russia.
- Navigation instructions in 10 different languages.
- Multi-media including MP3/WMA CD player, DAB ready audio, AUX socket, USB slot and optional iPod compatibility.
- Bluetooth® technology enabling mobile phone integration and music playback.
- Rear view camera compatibility.

## TNS410 detachable navigation

Great navigation, comprehensive multi-media functionality and easy operation. Plus the flexibility to detach the navigation section for use in or out of your car.

- Detachable TomTom navigation unit with 4.3" screen.
- Touch screen controls and voice activated destination input.
- Full map coverage of either West or East Europe.
- Multi-language choices.
- In-car multi-media including an MP3/WMA CD player, DVD, AM/FM radio, iPod video compatibility and both AUX and USB terminals.
- Bluetooth® technology for mobile phone integration and data links.
- Rear view camera compatibility.

## TNS410 travel kit

Everything you need for using your TNS410 in another car.

# Personal

You can be yourself and at peace with your world with Toyota technology accessories. The Bluetooth® system makes staying in touch safe and easy. There are great audio accessories for your favourite entertainment. And you have a choice of security accessories for added reassurance wherever you go.

## 01 TAS200 audio

The ideal multi-dimensional unit if your Corolla isn't fitted with audio as standard. Ease of use is assured by a multi-jog selector combined with an advanced OLED display providing strong contrast, high brightness and quick response. Features include an AM/FM radio, MP3/WMA/AAC compatible CD player, front AUX and USB/iPod sockets, DAB readiness and three DSP modes for sound equalisation.

## 02 Bluetooth® hands-free system

Toyota's Bluetooth® hands-free phone\* system is the perfect accessory if your car isn't enabled for Bluetooth® communications as standard or fitted with TNS410 or TNS510 navigation. Steering wheel controls or an illuminated control pad combine with voice recognition commands to make the system very easy to use. It will also play music stored on your phone through the Corolla's speakers.

\*Contact your Toyota retailer for details of phone compatibility.

## 03 Vehicle security system

A powerful alarm to complement the Corolla's pre-fitted immobiliser. An optional incline sensor warns of attempted wheel theft and towing.

## 04 HomeLink®

Operates up to three home automation system garage doors, drive gates and security lighting from inside your car. The control unit is available in black or grey.

# Entertaining

Travel takes on a new dimension with the Toyota in-car entertainment system. Journeys will fly by for rear seat passengers as they watch a DVD, play on a connected games console or review video recordings and photographs. With the comfort of the Corolla's interior, your passengers can watch, listen or play to their hearts' content.

Conveniently, the system is easy to move between cars. Similarly, the screen unit can be swapped from one seat to another and the screen height will adjust for adult or child viewing.

## 01 Clear viewing

Film and graphic imagery reproduce superbly on the system's 7" screen.

## 02 Headphones

The infra-red headphones automatically switch off to preserve battery life when no signal is received.

## 03 Remote control

Passengers can operate the entertainment system without adjusting their seatbelts.

## Modular in-car entertainment system

- Features include:
- All-in-one DVD player with CD and MP3 compatibility.
  - Compatible with most popular makes of games consoles.
  - Removable, adjustable screen unit.
  - 7" screen.
  - Infra-red headphones.
  - Remote control.
  - USB slot for accessing media straight from a memory stick.

# Guiding

Even with the Corolla's excellent manoeuvrability, you'll find Toyota's parking systems a big help in avoiding accidental bumps and scrapes.

The Toyota parking aid has ultrasonic sensors that link with in-cabin alarms to warn you of obstacles. Depending on the specification of your Corolla, you can add sensors to the front, rear or front and rear bumpers. Conveniently, the front and rear alarms have different sounds for clear identification.

Adding to the effect, you can combine the parking aid sensor system with the Toyota parking assist rear view camera system to make parking as easy as it can possibly be.

**01 Parking aid system sensors**  
The ultrasonic sensors are coloured to match your car's bumper.

**Parking assist**  
The parking assist camera makes reversing even easier by showing what's happening behind your car. You can choose to view the images either on a special rear view mirror or through the screen of your Toyota multi-media navigation system.

**02 Parking assist rear camera**  
Robust yet discreet. The camera shows anything in your way.

**03 Parking assist navigation viewing**  
You can view rear camera images in your Toyota navigation screen.

**04 Parking assist rear mirror**  
An integral monitor on the mirror displays rear camera imagery.

# Personal space

Premium materials, refined fabrics, enhanced ergonomics and plenty of leg room for all. When you make a journey in the new Corolla you travel in real style. Genuine Toyota accessories are the perfect complement.

Toyota accessories give flexibility to ideally match your way of life. There are choices for extra style, comfort and practicality. Each accessory adds to the sensation of personal space and makes the Corolla's interior more inviting than ever before.

01

# Individual

True style is in the detail. It's about adding those little extras to create a look that shows how much you care. Scuff plates along the door sills help keep the paintwork in pristine condition by protecting against accidental scratches. And there's a gear shift knob with an eye-catching steel insert for that final touch. Each accessory combines in a statement about you and your individuality.

02

03

## 01 Scuff plates

A stylish way to protect door sills against scratching. Available for front doors.

## 02 & 03 Shift knob

Contemporary design with a steel insert. For manual and automatic transmissions.

# Practical

The calm sophistication of the Corolla interior is truly inviting. Preserving that appeal is so much easier with the Toyota range of floor mats. Each is designed for a perfect fit and then custom made for dependable protection against the ins and outs of a busy life.

## 01 - 04 Velour floor mats

Available in standard or luxury weights and in anthracite or beige colours.

## 05 Needle-felt floor mats

Hard wearing textile mats in a complementary anthracite colour.

## 06 Rubber floor mats

The toughest protection against mud and dirt.

# Comfortable

Toyota sun blinds not only give you privacy, but also help keep you cool when the sun is uncomfortably hot.

Made in a tasteful black colour, the blinds have an opaque anti-glare finish on the outer surface only. This shields the inside of your car against the sun and the prying eyes of passing strangers, while still enabling you to see through them and look outside.

## 01 Sun blinds - back

Exactly the right size for the Corolla's back window.

## 02 Sun blinds - rear side

Shaped to fit the Corolla's rear side windows.

# Convenient

People have different ways of living with their car. Toyota accessories reflect this by creating options for extra storage and convenience. From a trunk liner and cargo nets to a coat hanger and cool box, each accessory adds practicality for your personal needs.

01

## 01 Trunk liner

Tough black rubber with a raised lip and anti-slip surface.

## 02 Seat back storage bag

Two bags in one! One part has a strap for carrying as a shoulder bag.

## 03 Horizontal cargo net

The easy way to stop things sliding in the trunk.

## 04 Vertical cargo net

Ideal for holding smaller items neatly in place.

## 05 Coat hanger

Keeps your jacket crisp and wrinkle free.

## 06 Coolbox

Plugs into your car's 12V accessory socket to keep refreshments either hot or chilled.

# Reassuring

The Corolla is a great car for families and children. But youngsters come in all shapes and sizes and so keeping them safe needs careful thought. Be assured, with Toyota child restraint seats you have purpose designed options for each age group.

01

## Baby-Safe Plus restraint seat

Comfort and protection for babies from birth up to around 9 months (up to 13 kg).

02

## Duo Plus ISO fix restraint seat

For children between 9 months and 4 years (approximately 9 to 18 kg).

03

## Kid restraint seat

Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg).

## 01 Baby-Safe Plus restraint seat

Features an integral retractable canopy to protect young skin against the sun and wind.

## 02 Duo Plus ISO fix restraint seat

For maximum safety the seat locks into the rear ISO fix bars to anchor directly to the car body and also has a top tether to prevent forward tipping. Deep padded wings increase side impact protection.

## 03 Kid restraint seat

The seat has a booster cushion and an adjustable head rest to add flexibility for a growing child.

# Caring

Sometimes it's the little things in life that make a big difference. Extra filtration to keep the cabin air clean. Being prepared for the unexpected. Toyota accessories for the Corolla consider the details of helping care for you and your car.
