Designed for individuals.
Designed for families. The Toyota Verso is as visually striking as it is multi-talented. Everyone has space to be themselves. Genuine Toyota accessories make even more of the sensation by giving you flexibility to add extra dimensions of style, practicality and technical innovation. Never before has versatility been so desirable.

Individually yours

In the same way the Verso responds to differing lifestyles, genuine Toyota accessories tailor that response to you as an individual.

From alloy wheels and touches of style to roof racks and special carrying attachments, every accessory has been conceived especially for your Verso. Installation is easy, the integration perfect and the performance as rewarding as the Verso itself.

Wherever life takes you, the Verso and Toyota accessories help make each journey an experience to be savoured.

Co-ordinated

What's so good about Toyota accessories is that their design complements both form and function. Style details such as chrome garnishes sit perfectly alongside protection for your

bumpers and side panels. Everything combines for a co-ordinated appearance.

01 Fog lamp contour

Chrome finish bezels to emphasise your fog lamps.

02 Chrome side sills

A stylish enhancement to the side profile.

03 Rear trunk garnish

An eye-catching detail for the Verso's rear.

04 Side mouldings

Effective protection against minor door panel damage.

05 Bumper corner protectors

Guards the paintwork against scratches and scrapes.

06 Front chrome element

That extra touch of style for the front detail.

07 Silencer

Great looks with a sporty deep bass growl.

Stylish

Whichever your angle of view, the Verso's aerodynamics have a compelling sense of aesthetic efficiency. Toyota body style accessories enhance the appeal by adding highlights to reflect your personal tastes. Individually or all together, the look is one of integration and sports inspired performance.

- 01 Front skirt**
Sports influenced aerodynamic design.
- 02 Rear skirt**
An extra dimension of rear-end styling.
- 03 Side skirts**
For that sporty low profile look.
- 04 Roof spoiler**
Complements the Verso's powerful streamlining.
- 05 Mirror cover**
Stylish chrome finish design.
- 06 Exhaust pipe finisher**
Durable chrome for a distinctly sporty look.

Protective

Toyota accessories add a dependable extra layer of protection against the rigours of today's busy roads and car parks. From mud flaps to rear view cameras and parking sensors, each accessory is designed to help you avoid life's little incidents and keep your Verso looking as good as new.

01 Rear bumper styling plate

Stainless steel for extra strong protection.

02 Rear bumper protection plate - rubber

Durable protection for bumper paintwork.

03 Rear bumper protection film

Clear adhesive film to shield bumper paintwork.

04 Headlamp covers

A durable shield against stone chip damage.

05 & 06 Mud flaps

Shaped for the front and rear wheel arches.

07 Parking assist navigation viewing

See rear camera images on the navigation screen.

08 Parking assist rear mirror

A monitor displays rear camera images.

09 Parking assist rear camera

Robust yet discreet. The camera shows what's happening behind.

10 Parking aid system sensors

Colour matched to your car's bumper.

Toyota parking systems

Toyota parking accessories are a big help in avoiding accidental damage when manoeuvring in tight spaces.

The parking aid system has ultrasonic sensors in the rear and/or front bumpers. These link to an in-cabin alarm that warns of obstacles in your way.

The parking assist rear camera makes reversing even easier. It transmits real-time images either to a rear view mirror monitor or the screen of your Toyota navigation system.

Creative

Toyota alloy wheels are all about self expression. With a great range of designs, you can be creative in choosing a look from sporty and dynamic through to urban sophistication. Lowering springs increase the effect by giving your Verso a distinctive low-slung appeal.

Senica 16" alloy wheels

 **Podium alloy wheels - available in 16" & 17"**

Levana 16" alloy wheels

Iroquois 17" alloy wheels

Mohava 17" alloy wheels

01 Winter rim wheels

Especially for use with winter tyres.

02 Wheel locks

The rounded profile and coded key help protect your valuable alloys.

03 Lowering springs

Engineered to complement the Verso's shock absorbers.

Leisure

There's so much in life to experience and enjoy. You can do it with the Toyota roof rack or cross bars if your car is fitted with roof rails. Combined with a great choice of special carrying attachments they give you real flexibility to explore every leisure opportunity that comes your way.

Versatility

The range of special carrying attachments for the Toyota roof rack or roof rails and cross bars offers true versatility. The leisure potential is enormous. Add a towing hitch for a trailer or caravan and your horizons become even broader.

Rear bicycle holder

Attaches to a Toyota towing hitch for secure transport of up to two bicycles.

Personal space

More than spacious. More than comfort and quality. The Verso's interior has flexibility for adapting to the important dynamics in your life.

Toyota accessories take that concept one step further. They create freedom to reflect individuality and make the Verso's interior your very own private place. With choices for extra style, practicality and protection you can tailor your car to the way you like things to be.

Choices

Toyota accessories make style a personal statement. There are design details such as sports pedals and special gear shift knobs. Great looking practicality in scuff plates. And comfort from air filtration and heated seats. With Toyota accessories you can choose how you express your individuality.

01 Scuff plates

Stylish practical protection for door sill paintwork.

02 Sports pedals

Striking anodised aluminium and rubber design. For manual transmission cars.

03 & 04 Shift knobs

A choice of styles to suit your personal taste.

05 Cabin air filter

Helps prevent pollen, dust, odours and fumes entering the cabin.

06 Front seat heater

Comfortable warmth for when the weather is really cold.

Lifestyle

People have different ways of living with their car. That's what is so good about the Verso. Its flexible interior says there's room to be yourself.

Toyota accessories offer the same lifestyle versatility. You have a great range of options whether you want to carry a pet or protect the trunk.

01 Horizontal cargo net
Ideal for securing a briefcase or bags in the trunk.

02 Vertical cargo net
Neat and tidy storage for smaller possessions.

03 Trunk liner
Durable black rubber with a non-slip surface and raised edges.

04 Reversible trunk mat
With luxurious velour on one side and spill proof plastic on the other.

05 Dog guard – full
Gives your dog its own private space for the journey.

06 Dog guard – half
An effective barrier to stop your dog jumping into the passenger area.

Practical

For journeys long or short, as a driver or passenger, the Verso is a wonderful place to be. Toyota accessories help you keep it just the way you like with choices for floor mats, sun blinds and extra in-cabin storage.

01 & 02 Sun blinds

Guards against the sun and prying eyes. Available for side and rear windows.

03 Seat storage bag

Practical storage for smaller items. Includes a detachable rucksack.

04 Coat hanger

Smooth chrome finish design for wrinkle-free jackets.

05 & 06 Floor mats

Choose from luxurious velour textile mats or hard wearing needle-felt textile mats in a complementary anthracite colour to match your car's interior.

07 Rubber floor mats

Really tough protection against mud and dirt

Reassuring

Children love the family Verso. But youngsters come in all shapes and sizes and so keeping them safe is a priority. Be assured, you can do it with Toyota child restraint seats. Each is designed for the special needs of particular age groups.

01

02

03

01 Babysafe restraint seat

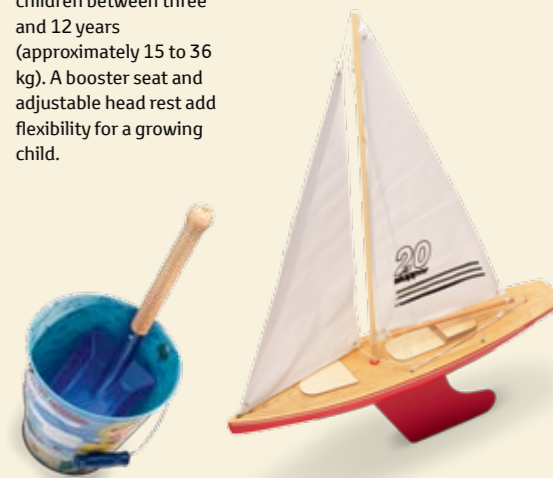

Comfort and protection for babies from birth up to around 15 months (to 13 kg). An integral retractable canopy provides protection against the sun and wind.

02 Duo Plus ISO fix restraint seat

For children of between eight months and four years (approximately 9 to 18 kg). For maximum safety, the seat locks into the rear ISO fix bars to anchor directly to the car body and also has a top tether to prevent forward tipping. Deep padded wings increase side impact protection.

03 Kid restraint seat

Height adjustable for children between three and 12 years (approximately 15 to 36 kg). A booster seat and adjustable head rest add flexibility for a growing child.

Inspired technologies

The Verso has the inherent flexibility to suit the differences that make people special. So too with Toyota high-tech accessories. Inspired by individuals; every function has been conceived to satisfy a need, every button and display is designed to be user friendly.

The Toyota technology concept is integrated multi-media. Whether for family entertainment, navigation, personal audio or telecommunications, each accessory adds an extra dimension to the quality of modern life.

Integrated

Toyota integrated technologies make every journey complete. There's in-car entertainment to keep the family enthralled, navigation to take the stress out of finding your way, and communication systems to make staying in touch easier than ever before.

01

02

03

01 Modular in-car entertainment system
Film and graphic imagery reproduce superbly on the system's 7" screen.

02 Headphones
The system's infra-red headphones automatically shut down to preserve battery life when no signal has been received for a period of time.

03 Remote control
Passengers can operate the entertainment system without adjusting their seatbelts.

04 TNS510 navigation system
The easy to use integrated navigation and multi-media centre.

05 Bluetooth® hands-free system
The system of choice if your car is not already Bluetooth® enabled.

Modular in-car entertainment system

Journeys will fly by for rear seat passengers as they watch a DVD or play a connected games console on the in-car entertainment system.

Features include an all in one DVD player with CD, MP3 and DVBT compatibility, a 7" screen, infra-red headphones, a remote control, an SD card slot for viewing camera images and a USB slot for accessing media straight from a memory stick.

Conveniently, you can move the unit between seats and cars and also adjust the screen height for adult or child viewing.

TNS510 navigation system

More than route guidance, the TNS510 is a fully integrated navigation and multi-media centre. Touch screen controls on a high definition 5.8" screen make it incredibly easy to use.

For navigation, the directions are provided in full map colour graphics synchronised with clear voice commands. You get fast route calculations, a destinations memory and Dynamic Route Guidance* to help avoid traffic problems.

Multi-media features include an integral radio, WMA/MP3/CDX compatible CD player, Bluetooth® streaming and comprehensive connectivity including a USB slot.

*Dynamic Route Guidance depends on the availability of Traffic Message Channel radio broadcasts.

04

05

Bluetooth® hands-free phone system

The Bluetooth® hands-free phone system is the ideal accessory if your Verso is not enabled for Bluetooth® communications as standard.

Steering wheel controls combine with voice recognition commands such as voice dialling to make the system very easy to use. It also plays music stored on your phone through the car's speakers.

Innovative

Innovation inspires choice. With Toyota accessories you can add extra functionality to suit the priorities in your life. The range includes options as diverse as security, audio and personal technology integration.

01 DAB

Enhances your Toyota navigation system's radio to receive digital audio broadcasting.

02 Vehicle security system

A powerful alarm to complement the Verso's pre-fitted immobiliser. An optional incline sensor warns of attempted wheel theft and towing.

03 HomeLink

Operates up to three home automation systems such as garage doors, drive gates and security lighting from inside your car.

04 JBL premium sound system

Breathtaking acoustic performance. Includes a 440 Watt DSP amplifier, subwoofer, rear coaxial speakers and front tweeters and woofers.

05 iPod, iPhone and USB integration

Located next to the centre console, the kit integrates your personal technologies with the Verso's multi-media navigation system or standard radio.

Caring

Sometimes it's the little things in life that make a big difference. Who knows what lies around the next corner? Verso accessories consider the details of helping care for you and your car.

01 Fire extinguisher, warning triangle, first aid kit

Essential preparation for the unexpected.

02 Reflecting jacket

See and be seen is a golden rule of personal safety.

03 Touch-up paint

Available in stick and aerosol for those little scratches.

04 Spare light bulb kit

Be sure, be safe, with a complete set of replacement bulbs.

05 Replacement battery

A perfect fit for your Verso.

06 Car care systems

Glass cleaner, upholstery cleaner, leather cleaner, windscreen washer fluid.

Accessory packs

Verso accessory packs offer a great value way to tailor your car to the life you lead. There's a technology pack for integrating your phone and personal technologies. A protection and storage pack for those day to day practicalities. And a chrome pack providing extra touches of style to show how you like things to be.
