

## Yaris Accessories

Today  
Tomorrow  
Toyota

**Yaris.** The smart choice. Good things in a great looking compact package full of energy for life. Yet there's more. Genuine Toyota accessories give you extra options for new dimensions of style, practicality and technical innovation. Reassuringly, each accessory comes with the same big thinking and commitment to quality as the Yaris itself.

## Individual

Aerodynamic. Intriguing arched contours. Smooth flowing lines. Yaris catches the eye wherever it goes. Toyota body style accessories build on the appeal to make even more of an impression.

What's so important about Toyota accessories is that they have been designed by Toyota especially for the Yaris. Installation is easy. The integration perfect. Every element works to create a co-ordinated yet highly individual appearance.

### 01 Roof spoiler

Adds emphasis to the Yaris' great aerodynamics.

### 02 Side chrome garnish

A stylish visual highlight for the side of your car.

### 03 Exhaust pipe finisher

High quality distinctive chrome finish.

# Personality

Style is all about personality. It's adding those little extra details to make a big, big difference. You can do it with Toyota accessories.

Chromed fog lamp contours to emphasise the lights and grille at the front of your car. Choose chromed wing mirrors or an appealing chrome garnish at the rear. Individually or together, each presents a special touch to show how you like things to be.

## 01 Rear chrome garnish

Adds a stylish visual highlight to the trunk detail.

## 02 Chrome mirror covers

Clip-on design to enhance the look of your wing mirrors.

## 03 Fog lamp contour

Chrome finish bezel that accentuates your fog lamps.

# Expression

Toyota alloy wheels are the ultimate in self expression. You have some great choices with designs ranging from sports through to urban

sophistication. Lowering springs increase the effect even further by giving your Yaris that dynamic, ground hugging, low-slung look.

- 01 15" Antibes – anthracite
- 02 15" Antibes
- 03 15" Savara
- 04 15" Orana

- 05 Lowering springs  
Engineered to complement the Yaris' shock absorbers.
- 06 Wheel locks  
The rounded profile and coded key help protect your valuable alloys.

# Dynamic

Power and excitement. All the thrills of the sporting arena are clear to see in the exclusive range of Yaris sports accessories by Toyota Motor Sport GmbH.

Toyota Motor Sport is the skill and ingenuity behind Toyota Formula 1 racing. Today its design and technology teams have inspired a unique choice of accessories especially for your Yaris.

From streamlined side skirts through to 16" alloy wheels, each accessory captures the undeniable passion of the racetrack.

- 01 16" Grand Prix
- 02 16" Pitlane
- 03 Toyota Motor Sport side skirts  
Seamless integration creating a sporty, low profile look.

# Performance

02

Think Toyota Formula 1 and the image is of aerodynamic precision. So too with Toyota Motor Sport body style accessories for your Yaris.

The very same skills guiding the development of Toyota Formula 1 racing are the influence for the Toyota Motor Sport roof spoiler and side skirt. Both have been designed for seamless integration with your Yaris' body contours. Both convey the look of smooth, expertly controlled, high performance streamlining.

**01 Toyota Motor Sport roof spoiler**  
Designed to emphasise the sporty aerodynamics of your Yaris.

**02 Toyota Motor Sport kit rear view**  
Powerful, sports inspired rear-end styling.

12

# Luxury

A Toyota leather interior is surely the ultimate enhancement for your Yaris. Luxury, style, comfort and practicality come together in a presentation that's as good to look at as it is to sit in.

Choose from a range of colours and either pure high quality leather or a leather and suede-style Alcantara® combination. The design includes seats, head rests and door panels. Reassuringly, the installation is fully compatible with side air bag operation.

Door sill scuff plates and race-inspired perforated aluminium alloy pedals complete the picture of personalised sophistication.

01 02

## 01 Leather interior

Your choice of colours in leather and Alcantara® combinations for a sense of pure luxury.

## 02 Scuff plates

The brushed aluminium finish conveys a look of undeniable style.

## 03 Alloy pedals

Perforated design with a brushed aluminium finish. For manual transmission cars.

03

# Innovation

Every button and display on Toyota technology is designed to be user friendly. Every function has been conceived to satisfy a need.

The TNS400 and TNS410 navigation systems epitomise Toyota's concept of technology with purpose. Whichever you choose, each will guide you effortlessly anywhere around Europe.

Touch screen controls and a high definition 5.8" screen make the TNS510 incredibly easy to use. You get ultra-fast route calculations, a destinations memory and DRG\*\* to help avoid traffic problems. The system comes with an integral radio, WMA/MPS/CDX compatible CD player, Bluetooth® streaming and comprehensive connectivity including a USB slot.

Flexibility is the key to the TNS410 navigation system. This is a portable unit for use whilst walking and in your car. It features a 4.3" high definition colour screen with touch controls. Plus, it has a great entertainment and communications centre including Bluetooth® streaming, WMA/MP3 compatible CD player, a USB slot and a DVD deck.

- 01 Bluetooth® hands-free system\***  
Ideal if your Yaris is not already enabled for Bluetooth® communications. A choice of either steering wheel controls or an illuminated dashboard control pad combine with voice recognition commands to ensure ease of use. The system also enables music stored on your phone to be played through the Yaris' speakers

- 03 TNS510 navigation system**  
Comprehensive European navigation combined with communications and entertainment capabilities.

- 04 TNS400 navigation system**  
Directions provided in full map colour graphics synchronised with clear voice commands.

- 05 TNS410 navigation system**  
The portable system for navigation, communications and entertainment.

- 02 Bluetooth® complementary kit\***  
Added convenience for Bluetooth® phone users. The kit includes a discreet external antenna and a cable-less cradle to secure your phone and charge the battery. It complements all Toyota pre-fitted and accessory Bluetooth® enabling technologies including the Bluetooth® hands-free system.

\* Contact your Toyota Retailer for details of phone compatibility.  
\*\* DRG (Dynamic Route Guidance) depends on the availability of Traffic Message Channel radio broadcasts.

01

# Integration

Nothing happens in isolation. That's particularly true of technology. The Toyota approach is to integrate and enhance.

For example, the Toyota centre console integration kit has sockets for your iPod, iPhone and a USB cable. These let you operate your iPod and iPhone through the optional TNS510 navigation system. Listen to the iPod's music through your car's sound system. And play compatible audio files directly from a USB device.

Similarly, the JBL premium sound system is custom designed to link with and enhance your Yaris' audio. Features include a 440 watt DSP amplifier, front tweeters and woofers, rear coaxial speakers and a 100 watt rear subwoofer. The result is a spatial clarity comparable to top quality home audio systems.

## 01 JBL premium sound system

Optimises the Yaris' audio to give a breathtaking acoustic performance.

The following additional accessories are also available, though they are not pictured here.

### Rear speakers

Perfectly balanced to complement your car's pre-fitted audio and front speakers.

02

03

03

04

## 02 DAB

Enhances the optional TNS510 navigation system's audio to receive digital audio radio broadcasts.

## 03 HomeLink

Operates up to three home automation systems such as garage doors, drive gates and security lighting from inside your Yaris. Available in grey or beige to match your car's interior.

## 04 iPod, iPhone and USB integration kit

Locates in the centre console and provides sockets for integrating personal technologies with the Yaris' audio and optional TNS510 navigation system.

#### 01 Detachable towing hitch

Gives you a towing capacity up to 1,050kg. Available with a choice of either horizontal or vertical installation and an optional wiring kit.

**The following additional accessories are also available, though they are not pictured here.**

#### Rear bicycle holder

Securely carries up to three bicycles. Custom designed for fixing to Toyota towing hitches.

## Versatile

Who knows where life will take you? There's an adventure in store every day. With the Yaris and Toyota accessories you can grasp each opportunity that comes along.

The aerodynamic aluminium roof rack gives you enormous flexibility for enjoying all that life has to offer. It is easy to install and locks securely to the roof of your Yaris. You can then combine it with a great range of optional attachments specially designed for those specialised carrying jobs.

Similarly, with the Toyota towing hitches and rear bicycle holder you increase your car's versatility even further.

#### 02 Roof rack

Strong yet lightweight aluminium design with integral locking.

#### 03 Barracuda bicycle holder

Features a unique anti-theft system and moulded profiles to grip the bicycle's wheels. Available in both left and right side versions.

#### 04 Ski holders

Choice of two lockable aluminium designs. The small holders carry four pairs of skis or two snowboards. The large size holds six pairs of skis or four snowboards.

**The following additional accessories are also available, though they are not pictured here.**

#### Ski box

Smooth aerodynamic design with big interior dimensions, central locking and passenger side opening. Available in luxury and standard versions.

#### Luggage box

Ideal for touring holidays and weekends away. Features include central locking and passenger side opening. Available in luxury and standard versions.

# Lifestyle

People have different ways of doing things. Different ways of living with their car. Toyota accessories are designed for the individual in you.

The trunk liner and reversible trunk mat offer choices for protecting your rear carpets. They withstand everything from a sports bag through to the muddiest, messiest item you can imagine. A touch more subtle is the vertical cargo net for holding smaller possessions neatly in the trunk. And then there's the centre console armrest with discreet, out of sight storage. Toyota accessories are all about you and your lifestyle.

## 01 Centre console armrest

Added comfort for those long drives combined with convenient small item storage.

## 02 Trunk liner

Durable rubber with raised side edges to protect against mud, liquids and dirt.

## 03 Reversible trunk mat

Luxurious velour on one side and tough waterproof rubber on the other. The mat neatly folds to fit around a raised seat while protecting the rest of the rear floor space.

The following additional accessories are also available, though they are not pictured here.

## Cargo net, vertical

Clips onto pre-fitted hooks to help keep your trunk neat and tidy.

# Reassuring

Protecting style. Guarding against bumps and scrapes. There's a great range of Toyota accessories to help keep your Yaris in pristine condition.

You'll find the Toyota parking aid system a big benefit in avoiding accidental damage when manoeuvring in tight spaces. Sensors located in the rear bumper automatically activate when you engage reverse gear. In turn, the sensors link to an in-cabin alarm that emits a progressively louder warning the closer you get to an obstacle.

Adding reassurance when you leave your Yaris parked is the Toyota vehicle security system. It provides a powerful alarm to complement your Yaris' pre-fitted immobiliser and has an inclination sensor to warn of attempted alloy wheel theft and towing.

## 01 Parking aid system

A complete warning system including rear sensors and an in-cabin alarm.

## 02 Fog lamps

A stylish enhancement for safer driving in poor weather conditions.

## 03 Mud flaps

Custom shaped for the Yaris' front and rear wheel arches.

## 04 Vehicle security system

The powerful alarm ideally complements your pre-fitted immobiliser.

# Protective

Comfort for you. Protection for your car. Toyota accessories are custom designed for modern living.

Wind deflectors help make driving the Yaris even more special. They create freedom to enjoy the fresh air sensation of open windows without the disturbance of excessive wind movement and noise. Similarly, a cabin air filter will keep the interior environment just the way you like it.

For your car, side mouldings, bumper corner protectors, door handle protection film and rear bumper protection film are perfect guardians of that good as new look.

## 01 Side mouldings

Effective protection for doors against accidental bumps. Painted to match your car's body colour.

## 02 Door handle protection film

Easy to apply transparent self-adhesive film to prevent minor scratching.

## 03 Wind deflectors

Flawlessly integrate with the Yaris' aerodynamics.

## 04 Cabin air filter

Helps prevent pollen, dust, odours and fumes entering the cabin.

**The following additional accessories are also available, though they are not pictured here.**

**Rear bumper protection film**  
Transparent self-adhesive film to guard your bumper paintwork when sliding things in and out of the trunk.

## Bumper corner protectors

Protection for your front and rear bumpers against minor scrapes.

## Safe

Children are surely the most precious cargo you'll ever carry. Be assured. Toyota child restraint seats will help keep them safe and comfortable wherever you go.

For maximum safety, all Toyota ISOFIX child restraint seats have a simple push-click operation to lock into your Yaris' rear ISOFIX bars and so anchor directly to the car body.

Babysafe is especially for babies from birth up to around 15 months (to 13 kg). It has an integral retractable canopy offering extra protection against the sun and wind.

For children of between eight months and four years (approximately 9 to 18 kg) there's the Duo Plus. This has deep padded wings for side impact protection and a top tether to increase stability.

With a growing family you'll appreciate the Kid restraint seat. The booster cushion and height adjustable head rest make it ideal for children between three and 12 years (approximately 15 to 36 kg).

### 01 Duo Plus ISOFIX restraint seat

For children of between eight months and four years (approximately 9 to 18 kg).

### 02 Kid restraint seat

For children between three and 12 years (approximately 15 to 36 kg).

### 03 Babysafe restraint seat

For babies from birth up to around 15 months (to 13 kg).

### 04 Rubber floor mats

Really tough protection for your carpets against mud and grime.

### 05 Textile floor mats

Choose from velour or needle-felt in a range of colours.

# Caring

Sometimes it's the little things in life that make a big difference. Yaris accessories consider the details of helping care for you and your car.

**01 Fire extinguisher, warning triangle, first aid kit**  
Essential preparation for the unexpected.

**02 Reflecting jacket**  
See and be seen is a golden rule of personal safety.

**03 Touch-up paint**  
Available in stick and aerosol for those little scratches.

**04 Spare light bulb kit**  
Be sure, be safe, with a complete set of replacement bulbs.

**05 Car Care Products**  
Glass cleaner, upholstery cleaner, leather cleaner, windscreen washer fluid.

**06 Replacement battery**  
A perfect fit for your Yaris.
