Personal space

The Land Cruiser V8 offers the best of both worlds with its big interior dimensions and high levels of comfort. As one it fuses the functional beauty of an off-roader with the luxurious ambience of a top quality passenger car. Toyota accessories offer added flexibility.

With Toyota accessories you have options for extra style and practicality. The concept is freedom to create a personal space individually tailored to the life you lead.

LAND

Scuff plates

Brushed aluminium scuff plates add a distinct style highlight while protecting door sill paintwork from scratching.

Practicality

People use their Land Cruiser in so many different ways. For some it's town and country, for others it's communing with nature. Toyota accessories complement the extremes and all the variations in between.

There are rubber mats for the dirtiest boots you can imagine, and velour mats that are ideal for the school run. You have netting choices for keeping the trunk tidy and storage options for everything from cool drinks to cool books. The accessory concept is all about individuality!

Reassuring

The Land Cruiser is ideal for families and children. But youngsters come in all shapes and sizes and so keeping them safe needs a purposeful outlook. Be assured, with the range of Toyota child restraint seats you have individually designed options for each particular age group.

03

01 Babysafe Plus restraint seat

Comfort and protection for babies from birth up to around 9 months (to 13 kg). An integral retractable canopy protects against the sun and wind.

02 Duo Plus ISO fix restraint seat

For children of between 9 months and 4 years (approximately 9 to 18 kg). For maximum safety the seat locks into the rear ISO fix bars to anchor directly to the car body and also has a top tether to prevent forward tipping. Deep padded wings increase side impact protection.

03 Kid restraint seat

Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg). A booster seat and adjustable head rest add flexibility for a growing child.

Personal technologies

A close-up photograph of a car's interior, focusing on the steering wheel and dashboard. The steering wheel is covered in a light-colored, textured material, possibly leather or a synthetic equivalent. To the right, a portion of the dashboard is visible, featuring several control buttons with white symbols. The background is slightly blurred, showing more of the car's interior and a red carpeted floor.

The Land Cruiser V8 is bristling with advanced technologies. Some you can see, some you can't. But all of them contribute to making your car truly exceptional. The key is that Land Cruiser technology always has meaning and relevance.

The same applies to Toyota technology accessories. The options add flexibility and personality to the way you live with your car. Importantly, every function has been conceived to satisfy a need, every button and display is designed to be user friendly.

Complementary

Whether making or taking a call or listening to tracks from your iPod, you'll find the quiet calm of the Land Cruiser's interior the perfect environment for enjoying Toyota technology to the full.

01 Bluetooth® hands-free system

The system of choice if your car is not already Bluetooth® enabled.

02 iPod® integration kit

Enables you to play your iPod through the Land Cruiser's sound system.

03 Bluetooth® complementary kit

Features a cradle to secure your phone and charge its battery.

04 - 06 HomeLink

In-car operation for your home automation systems.

07 Vehicle security system

A powerful alarm to complement the Land Cruiser's pre-fitted immobiliser. An optional incline sensor warns of attempted wheel theft and towing.

Bluetooth® hands-free phone system*

The Bluetooth® hands-free phone system is the ideal accessory if your Land Cruiser is not enabled for Bluetooth® communications as standard.

Steering wheel controls combine with voice recognition commands such as voice dialling to make the system very easy to use. It also plays music stored on your phone through the car's speakers.

*Contact your Toyota Retailer for details of phone compatibility.

Bluetooth® complementary kit*

Added convenience for Bluetooth® phone users. The kit includes an external antenna and a cable-less cradle to secure your phone and charge the battery. It complements all Toyota pre-fitted and accessory Bluetooth® enabling technologies including the Bluetooth® hands-free system.

HomeLink

The ingenious HomeLink system has a control unit permanently mounted within your car. This enables you to operate up to three home automation systems such as gates, garage doors and lighting without leaving the security of your Land Cruiser.

03

Care

Sometimes it's the little things in life that make a big difference. Who knows what lies around the next corner? Land Cruiser accessories consider the details of helping care for you and your car.

01 Fire extinguisher, warning triangle, first aid kit

Essential preparation for the unexpected.

02 Reflecting jacket

See and be seen is a golden rule of personal safety.

03 Touch-up paint

Available in stick and aerosol for those little scratches.

04 Spare light bulb kit

Be sure, be safe, with a complete set of replacement bulbs.

05 Replacement battery

A perfect fit for your Land Cruiser.

06 Car care systems

Glass cleaner, upholstery cleaner, leather cleaner, windscreen washer fluid.
